Foreword

Last week's results showed that, as predicted, Kalamunda would be the side that settled the four and they way they are performing most of top clubs are glad that they will not be participating in the finals.

Kalamunda overpowered Kelmscott in the second half, although the visitors were seriously weakened by the absence of several top players. Kalamunda, if they can keep the nucleus of their side will most certainly be a power in 1978.

Canning turned on a goal scoring spree against Kwinana whose spirits must be at a very low ebb. Canning, in recent weeks have shown that they will really give the premier-ship a shake.

Gosnells remain unbeaten however were not convincing against Mandurah. Gosnells need a very tough match to shake them up and that match is not very far away.

Kenwick accounted for Thornlie and it is to be hoped that both these clubs recruit during the summer months and are more successful in 1978.

Maddington were too strong for Armadale who desperately needed that win. Maddington are a good side who know how to win a game whereas some of Armadale's youngsters are just learning. This is not meant to be a criticism of Armadale as they have done a very good job this year.

TODAY'S GAMES:

Armadale v Kalamunda: Armadale by 1 point.
Kelmscott v Kwinana: Kelmscott
Canning v Gosnells: The upset of the year.
Canning.
Kenwick v Mandurah: Kenwick.
Thornlie v Maddington: Maddington too strong

KOUGARS

Five in a row, at the expense of Kelmscott in a most entertaining game which could have gone either way up until three quarter time. After a stirring three quarter time address by coach Ed Michalczyk, the team went out and played a full quarter of hard, team football which Kelmscott could not counter and so we ran out winners by five goals.

A total of seven wins at this stage of the season easily makes this our best season since the 1971 season, and with three games to go, it could easily be our best season ever in the S.S.M.N.F.L. Although last week's game was an even team effort, extra good games were turned in by Phil Hayes, Vince Capriotti, John Rose, Gary England and Alan Mader.

The reserves did not fare so well and after an excellent third quarter, when they went to a handy lead, they let their concentration lapse and went down by five goals. A four quarter effort today will see four points come our way. It was pleasing to see the return of Mark Smith, Paul Rosair and Mick Jeffries, to the tea, of whom played well.

Today's game against Armadale is another we can approach with some confidence especially as Armadale have had a couple of losses recently, and we are playing with confidence, however they are definitely a team who play better at home, so we will have to attack from the first bounce.

Don't forget our Quiz Night on Wednesday 17th August at the High Wycombe Hotel starting at 8 p.m. Quiz Master will be the successful State and Perth Football Club coach, Ken Armstrong, and with plenty of prizes to be won it will be a great night. The cost will be \$2.00 per person, so form your group of six now and join in the fun.

THE KNIGHTS NOTES

Regarding our league team's performance last Sunday, it is apparent the players have reached the very depth of despair. I refuse to believe that we are 30 goals inferior to any side in the competition and yet the facts are there. Canning are a very good side and they have some of the best footballers in the competition but their performance was made to look so much better because of a lack of pressure.

A complete lack of confidence has taken away the initiative and life our players have shown in the past. Unless this is regained we are in for a few more thrashings before the year is out. I hope the players will do their utmost to throw off the lethargy that has set in and enable the side to finish the season on a brighter note.

FOOTBALL GAZETTE 4

THE TIGERS

Producing four consistent quarters of a high and sometimes brilliant brand of team football, Canning recorded their highest score during last 20 years in completely demolishing an inept Kwinana side last Sunday. The mammoth score of 39-27 certainly had our supporters jubilant after the game, but it should be remembered that the strength of last weeks opposition can scarcely be compared to that of the sides we currently share a place in the top four with.

Nevertheless one couldn't ask for a better practice run for today's encounter with the Hawks, a team who delivered us such a body blow in the first round that recovery from that loss and to resultant form, was slow. Those receiving the awards for last week's game were Steve Goodall, a brilliant display of roving capped off with 10 goals, Tim Johnson, who kicked 9 and could have made it 15, and Gary Fenner, who continues to play at his immaculate best.

Our Seconds were first at last weeks party, and after absorbing coach Freemantle's half time verbal blast, turned in a scintillating last half to register a fine 50 point victory. Best players were Vic Cizeika, Colin Treasure and Neville Vellacott. Alan Barnes and Gavin Lekich were promoted from this side to the league and both turned in creditable performances when given their chance.

Apologies for the belated mention, but congratulations to Jan and Greg Green on the birth of their first child, a baby boy.

Congratulations also this week to Bill Archibald, who today plays his 100th game for the Tigers. Despite Bill's continual insistence that he's a natural forward, Bill is part of the strength of our half back line and his ever reliable performances indicate that he could be there for another 100! Congratulations Bill, and thanks for your efforts from all concerned at Canning.

Best players in the league side were Geoff Groenenburg, Garry Cukrov, Dave McGlade and Tom Mannion. Gary Ross and Sonny Phillips made the most of limited opportunities and Alan Draggett battled manfully against a much larger ruck force.

The Seconds side were very depleted, but they showed their typical spirit and battled the game right out. Their best players were Les and Steve Smith, Sandy Muir, Gary Frazer and Murray Lloyd until injured.

TALK OF BULL

Last weeks games against Armadale resulted in two comfortable victories for the "Mighty" Bulls.

The seconds played three quarters of top class footy and had kicked some twenty odd goals to Armadale's three by the last change-over. At this point the players fell into the customary habit of relaxing and allowing the opposition to kick a few goals. This tended to take away a lot of the merit from what was otherwise a very fine win.

Mick O'Halloran was in fine touch and kicked eight goals, while others to play well were Vince Slavin, Rod "Quokka" Quayle and Alan Bank. Bob Griffin also did many good things before leaving the field with an injury.

The league team battled hard against some spirited opposition but found it very difficult to create the "loose-man", "run-on" style of play that we usually see from them.

Goals were generally very hard to get, apart from a brief period in the third quarter when the players used some precise kicking to open up the forward line.

The backline held firm throughout the game and their efforts in restricting Armadale, a team in the four, to only six goals was outstanding.

Leading the way in this department for the second week in succession was Dave Reynolds. He cleared the ball from the back pocket with great dash and clearing kicks.

Up forward John Duthie was in superb form and took many fine marks while others worthy of mention were Colin Walker, Jim Di Carlo and Noel Knight.

SOCIAL: The Ball last Friday week was a tremendous success thanks to your support.

Member participation in all Club activities this year has been exceptional and it is hoped you will all continue to show as much interest in the Club's future activities.

Although a little late, the Club extends best wishes to Dave and Pat Barnes on the arrival of their little boy, Simon. Also to Jeff and Margaret Durkin on the birth of their baby girl, Kate.

DEMONS DIGEST

1977 . . . 65 YEARS YOUNG

We're back home to Gwynne Park this week, our visitors being the Kougars from the Kalamunda F.C. A double win today for the Demons is an absolute necessity, a double loss will speak for itself, won't it? Whatever the results, we invite all Kougars and umpires to stay back and relax awhile at our after-match social.

Last week at Maddington our league side were never in the hunt, apart from a brief spirited effort in the last quarter. The best efforts by far came from our defence, with Geoff Byrne, "Perry" Wilkes, Peter Barr and "Killer" Davey as the main source of fight against the Bulls. Dave "Veg" Fulgrabe "rookie" to league football played very well I thought.

Back to our league side, the Kougars did us a favour by beating our neighbours Kelmscott last week, keeping us in the four. The Kougars could well return the Bulldogs the favour this week and put them in our place. Next week we play Kelmscott, say no more!

Our reserves game produced an amazing last quarter to kick 9 out of their total 11 goals, even if they did lose the match. It emphasized that one thing I've been harping on for the last four years, and that is ATTITUDE. There's a saying about us Poms that says that we can't read the writing on the wall until we've got our backs to it. I say this to our two senior teams, you've got your backs to the wall, can you read the writing?

The Under 16's once again halted the Demons losing run last week, when they beat Kelmscott on their ground by some ten goals. Coach Charlie Tenardi was well pleased with the result, and added his thanks to the followers of this side.

The Under 18's went down by 9 points to Kelmscott at Gwynne Park last week. Come back in style this week fellas!

RAFFLE: On sale at today's game. A car trailer and a "free" Ford Falcon Sedan XW 500 for only \$1.00. This is real value for money folks!

MIGHTY ROYALS

Last week we travelled to Thornlie and won both games quite easily. Thornlie fought hard in the first quarter of the reserves game, but could not match our type of game for the rest of the match. It was good to see Ray Shepherd and Wayne Ogg keep their cool during a few incidents in the first quarter. The Thornlie forwards must have got sick and tired of seeing off Champion. He played a tremendous game on the half back line, holding up many attacking moves with strong marks and accurate kicks to plays downfield. Angie Fimognari also put in a good game on a wing. He won many kicks and always looked for someone to give the ball to. It was good to see Ken Tylor back on the field after an injury. He played at full forward and kicked 10 goals, 2 points.

The league game was a thriller for three quarters. Thornlie really played well and our players found it very hard to get their game going. John Riseley was again the work-horse, having 20 kicks and 16 handpasses. His hard work in the last quarter enabled players like Ken Staines, Gary Worthington and Graeme Nicholas to be dominant. Fred Seiner played another great game against his old club. He had 18 kicks and 10 handpasses, rucked and marked well and kicked 5 goals. Bill Truscott was a most dominant forward, having 17 kicks at full forward and kicking 6 goals. It was a good team effort and players like John Riseley, Ken Staines, Gary Worthington, Fred Seiner and Bill Truscott certainly deserve a mention.

Bad luck to Wayne Lloyd of the Thornlie league team. Wayne received a leg injury early in the game and it looks like he could be out of action for a long time. To you Wayne, thanks to our president, Joe Sweeney, you are the recipient of a \$20 bet on the result of the game. I believe someone from your club will pass it on to you.

The games night was a very successful evening and congratulations once again to the organisers.

The end of season trip is not very far off and if you want to go, see Skeeta or Dusty.

The big raffle is drawn today and best of

luck to everyone who has bought a ticket.

HAVVA.

THE HAWKS

The Mighty Hawks proved too strong for Mandurah last Sunday when they registered a double victory. Congratulations fellas.

In the league Mandurah provided strong opposition and were a much improved team on their last encounter. Players who stood out in this game were Karl Palinkas who put in a solid 4 quarter effort. Haydn McAuliffe at centre, Barry Woodhead and Trevor Williams on the wing.

Highlight of the day saw Ray Minson celebrate his 150th league game for the club. Congratulations Ray.

The Reserves again won by an enorm margin and played a great all round game. Best players in this game were Brian Antunovich, John Lennon and Steve Wright.

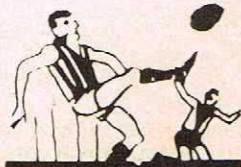

The Under Nineteens again registered a colossal victory against Thornlie who unfortunately provided no opposition. In this game Paul Pink won the Ampol Award and best runner up players were Garry Reynolds, Timmy Painter and Bob Dalton. The next game for the Under 19's will be against Kelmscott in the second semi final and to build their morale and stimulate their ego, spectator support is essential. These boys have done a mighty job for the club this year, so lets see a lot more club supporters senior players and parents along at this match next Sunday. At the time of writing the ground had not been designated by the Association.

All the players from the Under 19's wish to convey their thanks in appreciation of the Barbeque and refreshments function hosted by Ken and Maxine Keighley last Sunday, which proved an outstanding success.

SOCIAL: This week is your last opportunity to secure your ticket for the \$1,000 Bonanza Raffle and Cabaret being held at the Gosnells Civic Centre Friday August 12. See any of the Committee for tickets.

PLEASE NOTE: The Annual Windup Dinner is schedule for October 28 and will be held at the Canning Greyhound Centre. To help facilitate catering please place your name on the board in the clubrooms.

SPECIAL REMINDER: All members reminded to make use of the clubs bar facilities. Patronage could be improved on Friday nights as hot food snacks are available, the atmosphere is great and the company is good.

THE LIONS

The reserves game was a repeat of last week with a stronger side having an impressive win. Coach Morcom can only ask players to persevere and give their continued best. Better players Barry Vose, Doug Green and Alex Nie.

Supporters and visitors were treated to another courageous display of hard fought football in the league match, coupled with fine weather, a friendly Kenwick crowd and peace of mind from having cars directed around the oval, giving a safe (grandstand effect) area — permanent fixed seating a sure winner there. The afternoon was marred only by the unfortunate injury of youngster Wayne Lloyd (taken to hospital), but it was pleasing to see concerned officials and players acting so fast and efficiently to ease the situation. Thank you. Creditable performances by all players with reliable Capt. Osborne strong in position, Steven Vickers doing his best and Kambalida Williams working hard.

The day brought out the best in many "Lions" and it is heartwarming to have newcomers and old offer assistance to help things run smoothly around the club (whether selling tickets, stacking chairs, watching other peoples kids or wearing a smile). Club spirit, especially on a family basis, is the foundation and backbone of successful sporting bodies and the Re-Union Dinner on Sat. Aug. 27th is being organized with this thought in mind (there will not be endless speeches) as a step towards bringing people together that have been associated with the clubs history and progress in the district. Welcome Back Kotter!

A note of thanks to our ingo workers over the months, Kay & Graham, Debbie & Cliff, Pauline and Gavin, Murray and welcome to new helpers the Coombes, McPhersons, Odys, Peter Gleeson and Mark Fredricks. Tuesday nights.

Lets roar loudly today against our old rivals Maddington. Good luck Bulls, watch out.

LIONS OF THE WEEK — The McLean and Key Families: Pat and Ross, Pam and John, examples of club spirit and team work socially and privately, Ross a reserves player always ready to help others, John AI as Treasurer this year (past Sec.) ladies both working Mums, also with young children to supervise while assisting Dianne (in the same boat also). Old faithful Leos.

My personal thanks also to the Mums with tinies, that have expressed their concern with not being able to help, your though is appreciated. Team work amongst the ladies as shown last week is very gratifying. Watch for details of the Adventure Playground Fund to be started.

Keep roaring,
Happy Days,
Mrs. Leo.

THE BULLDOGS

It was a beautiful day for football last Sunday when the Kougars were host to the Bulldogs. However what started out to be a great day for the Club turned into a dark, miserable, dour day for the Kelmscott Football Club.

What initiated this turnabout was the fact that forty footballers turned in a combined effort of one good quarter of football, which was the last quarter of the reserves match. It seemed apparent that the league footballers have written themselves off for this years finals and are content to ride out the rest of the season. Many players were seen out socializing to late hours on the Saturday night and it was exemplified by their performances on Sunday. It isn't quite the professionalism expected by the committee and supporters.

Best players league: M. Hildebrandt, S. Robinson, R. Witt and G. Steele.

Best players seconds: M. Hansen, L. Scari, N. Edwards and N. Rose.

The only congratulations for the weekend go to the junior body of the club. Seven teams participated in various grades this year and six are in finals starting on the 6th August. Well done Juniors you are again showing the way. The senior players and supporters are asked to try to show their appreciation in attending Junior Final Games.

SEASIDERS

Our league side redeemed itself last week against the undefeated side Gosnells. Except for a disastrous second quarter it was a fine team effort and for most of the game we had it over our more illustrious opponents. It was another example of us having that one lapse which cost us the game. After starting so well in the first quarter and then seeing all our good work completely overshadowed was most disappointing but to our players credit they showed just what they were capable of in the third quarter and thrilled our supporters with some fine passages of football. Three quarter time saw us with a great chance of downing Gosnells and it was heartening to see our players show real determination and have a desire to win the ball, something we lacked badly against Kalamunda.

Best players in a very even team were Brian Doy, Mal Hicks, Kevin Joyney, Bill Cook and Col Beard with 6 goals.

The reserves were soundly defeated, but Gosnells are a top side and its hard for a team to get balance when it changes so much each week.

Today we meet Kenwick on their home ground which will be a hard one to win, but if we can get rid of our Jekel and Hyde image and keep our form from last Sunday we could go home with our fourth win.

The juniors had a quiz night last Friday and it was great to see such a good attendance. If anyone hasn't noticed, our plans for building extensions to the clubrooms are on the notice-board.
